- Computer time-library money will go to the Library/Resource center and will be used for buying and servicing computer hardware and software, internet connection, journal subscriptions and buying other common learning resources and equipment. Students will be free to use the Library/Resource center library services but pay for printing.
- Students will be required to raise up to 350,000 (Social Sciences and Humanities) and up to Kshs. 500,000 (Science based programmes) for their book allowance, projects/thesis research and thesis preparation based on their proposal budget.
- In addition to the fees, students must provide for their own living and medical expenses. The applicants are advised to make personal arrangements to finance their studies by seeking sponsorship from donors or from their employers and research fellowships.
